# Devil of a Time

As we approach our final days at Leominster High School it is time for us to look back on four years of unforgettable memories. When we entered as freshmen graduation was a distant dream that seemed an eternity away. We knew we would grow and change, but we never anticipated how the Class of 1998 would come together. Now Graduation is here and it brings to an end our time together. We must go on our ways individually, but we must never forget the lessons we learned and the friendships we made within the walls of LHS. We can take pride in our records of achievement. Members of our class have distinguished themselves in the classroom, on the playing fields, and in the community. We are well prepared to face the challenges that lay ahead. We leave Leominster High School sadly but confidently. The Class of 1998 has worked together, laughed together, learned together ... and throughout it all, we had a "Devil of a Time."

*Patricia Myer*

Dear Class of 1998:

As we approach the end of senior year memories of the past flood our minds.

We must first thank you for allowing us to join your class mid-way through. You have been the most exciting and self-motivated class we have ever had the privilege of working with. Your officers, and you the class members, have made every fundraiser, dance and activity an incredible success. Remember the huge truck at the car wash . . .

Be proud of yourselves and your accomplishments. Thank you for sharing your high school years with us.

Good Luck and Best Wishes . . .

Love and Thanks . . .

Mrs. Myer

"Behind us are memories, beside us are friends, and before us are dreams that will never end." While our dreams may never end, it is time for them to become reality. We have enjoyed success in academics and technical studies, in the arts and athletics. Equally as important, we have enjoyed having each other. With the help of our class advisors, the Class of 1998 has accomplished many goals that seemed unattainable and beyond reach. We have finally discovered, however, that nothing is impossible for our class to achieve. Our special thanks to Mrs. Stillman and Mrs. Myer for everything you've done for us and everything you helped us do for ourselves.

It has been said that the class of ninety-eight is great and through our actions it has been proven. As our final moments together come to a close, the memories we have had together bloom vividly with life. We have learned invaluable lessons from each other and have become more mature and prepared to face the world. Hopefully the world is ready for us, for we carry enthusiasm and pride that is yet to be paralleled.

It has been our honor, as the officers of the Class of 1998, to serve you in the past and guide you into the future. Thank you, Class of 1998, for your support, your spirit which gave us life, and the memories that will last until death do us part. Fill your hearts with love and let them guide you to success. Good luck in future pursuits and thank you for all the memories that will never be forgotten.

# CLASS

The Class of 1998 came together four short years ago from newly reorganized K-8 elementary schools of Fallbrook, John Appleseed, Northwest, and Southeast. We were virtual strangers with the exception of a few seventh and eighth grade dances, until Washington Trip. This was the trip that almost wasn't. Teachers were gaged in a "work to rule" contract dispute and at first refused to chaperone the eighth grade trip. But the teachers came through for us and the trip took us not only to Washington D.C. but also to Veterans Stadium and a major league baseball game between the Philadelphia Phillies and the St. Louis Cardinals. Five bus loads - one from each school and a mixed - left Leominster as strangers, but four days later returned as friends. We headed to Leominster High School in August of 1994, a unified class for the first time.

Freshman year began. Most of us had been given a tour of the new school in the spring of eighth grade. Our first day of school in the fall was "freshmen only" in the building, but that special attention instantly vanished on the second day of school and we were left to our own devices. We found our way through A, B, C, and D wings, and eventually to the recesses of E wing and the gymnasiums. CTE freshmen began their thirteen week exploratory of the trade program offerings. A new principal, Mr. Richard Masciarelli, was appointed. Mrs. Kim White and Mrs. Colleen Tucker became our class advisors. We held our first elections and our officers were President Nikki Proctor, Vice President John Finneron, Secretary Elizabeth Pierce, and Treasurer Erika Cox. The seniors welcomed us with the tradition of Senior-Freshman Week - a week of face-painting, hats, and costumes that was our initiation to LHS. We voted Erika and John Finneron our homecoming couple, our Interclass Play was titled "Give and Take", and the school musical was "The King and I." Freshman Football team went undefeated and our competition cheerleaders won first place in the Mid-Wach tournament. Academically, we had yet to prove ourselves but we established ourselves on stage and the playing fields before the end of the school year.

In the fall of 1995, Sophomore year began. We returned to Leominster High School with a new sense of belonging and a new principal, Mr. T. Fleming. He told us to take pride in our diversity and we did. Our newly elected officers, President Elizabeth Pierce, Vice President John Finneron, Secretary Mary Beth Christopher, and Treasurer Julie Buss worked closely with our advisors to organize class activities. We voted Sarah Buss and John Finneron our homecoming couple, hosted "Spring Fling", and presented "Story Hour" in the Interclass Plays. It was a great year in sports. Again our JV Football team went undefeated. Baseball team won the State Championships and the Field Hockey, Boys Indoor Track, and Competition Cheerleading teams all won the

# HISTORY

League Championships. The first ever Girls' Volleyball Team at was formed. During Winter Carnival Week, we won the Coin Wars "the Battle of Classes" at the winter rally. Many of us took parts in All-School Play and the musical, "Guys and Dolls." We purchased our rings and joined clubs and organizations. When summer came and had reached the half-way point in our high school careers, we were fully entrenched in the traditions that are LHS.

96, Junior year began. Our first year as upperclassmen would be a range both academically and athletically. We were introduced to the ous realities of AP courses and PSAT exams. "This is the most im- tant year of high school", we were told by our guidance counselors teachers. Many of us got jobs and licenses as well. We needed two class advisors, and Mrs. Rebecca Stillman and Mrs. Patricia Myer e to our rescue. Our class officers President Marc Gravelle, Vice Pres- Mary Beth Christopher, Secretary Elaine Warner, and Treasurer Bahde guided us in the right direction. Laura DeSimini and Marc elle were voted homecoming couple and "Phyllis Xenobia-The Coal bond" was our interclass play. The cheerleaders won Mid-Wach for rd year in a row. The Varsity Ice Hockey team traveled to the Fleet er and were runners-up in the State Championship. The school mu- was "42nd Street". We planned and attended our Junior Prom, ve Got Tonight", which was a huge success and took a class trip to bbie Lake Park. As June arrived and we watched the class of '97 uate, we looked forward anxiously to our senior year.

97-Finally and all too soon, our senior year began. We rose to the sion of Senior-Freshman Week with a series of new event days in- ing Devil Day and Decorate Your Senior's Locker Day. We voted Marc elle and Sarah Buss our Homecoming King and Queen; John eron and Julie Bahde our senior court. We planned and performed e best Thanksgiving Day Rally ever. Our senior breakfast and the 98 re were memorable events. For the first half of the year it seemed countless deadlines faced us-yearbook pictures, SAT's, college ap- tions, scholarships, financial aid . . . Our officers President Marc elle, Vice President Mary Beth Christopher, Secretary Joshua azi, and Treasurer Julie Bahde showed great dedication and leader-

this brief class history we hope we have touched on some of the ories we all hold dear. We remember all the different and colorful onalities that make up the class of 98. We remember the happy, the the exciting moments that made up our days at L.H.S. We wish all of e Class of 1998-the best of luck in the future and the precious ory of our "Devil of a Time" at Leominster High School.

# Junior Prom '97

"We had the night" on April 5, 1997 at the Italian American Cultural Club for our Junior Prom. After a delicious dinner, we lit up the dance floor with dancing that lasted until midnight. We made the best of "tonight" and although we didn't "need tomorrow", we had it for memories and to anxiously await our Senior Prom (even though they didn't play our theme!)

# "We've Got Tonight"

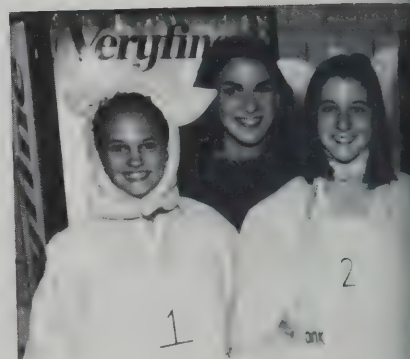

# Senior -

To welcome the class of 2001 to LHS, the class of 1998 continued the tradition of Senior-Freshman Week. The week was filled with fun and games, consisting of Hat Day, Devil Day, Decorate Your Senior's Locker Day, and Costume Day. We ended the week's festivities with a pizza party where the freshmen were truly put to the test. They sang on tables, danced, and even were Saran-Wrapped together! Everyone had a ball and new friendships began. The tradition at LHS lived on.

# 1998

Despite a chill in the air, the night of October 17, 1997 was a clear and beautiful evening, perfect for Leominster High School's Homecoming Festivities at Doyle Field. Crowned King and Queen were Marc Gravelle and Sarah Buss. The court was made up of seniors John Finneron and Julie Bahde, juniors Brock Tibert and Katey Sorensen, sophomores Ross O'Donnell and Ashley Alia, and freshmen Joey Henrie and Erin D'Onfro. Later that evening in celebration, the court was presented again at a dance in the high school gym.

On the Wednesday morning before Thanksgiving, the seniors and faculty gathered in the cafeteria for the Senior Breakfast. The Culinary Arts Department prepared and served a delicious meal for which everyone was grateful. We socialized, watched our "Fall Sports Review" video, and anxiously awaited the afternoon rally. At 10 o'clock we headed outside to take the "98" picture in the snow. After a mischievous snow-ball fight, the class of 98 came inside and prepared for the rally.

# Breakfast

# Thanksgiving

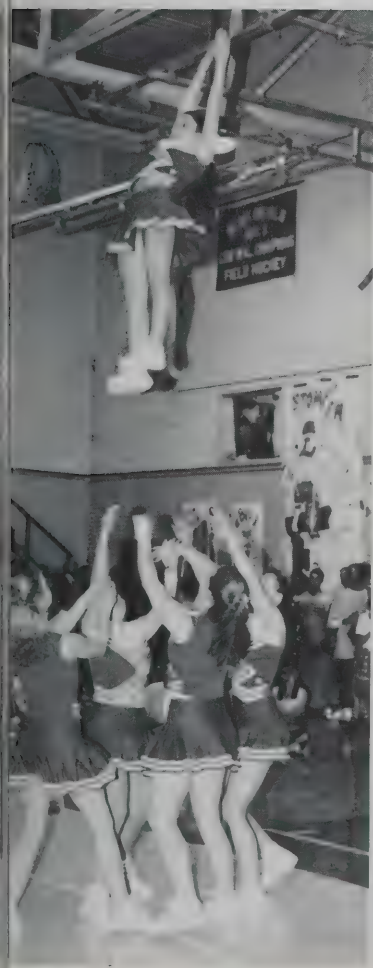

On Wednesday afternoon, November 26, the class of 96 presented the best Thanksgiving Day Rally ever. Blue and white filled the gymnasium, as the crowd cheered and the band played. Masters of Ceremony, Julie Bahde and Marc Gravelle, kept the spirit high, but the mock football players and cheerleaders brought down the house. Senior moms, cheerleaders, and the Color Guard all did a great job. Just when things couldn't get any better, our "She-Devils" were kidnapped by the Red Raider, Josh Shirazi, and his clan. Blue Devil Marc Gravelle to the rescue, and the day was saved. We were psyched and ready for the game.

# Rally 1997

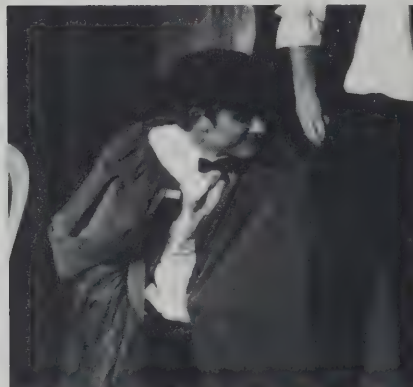

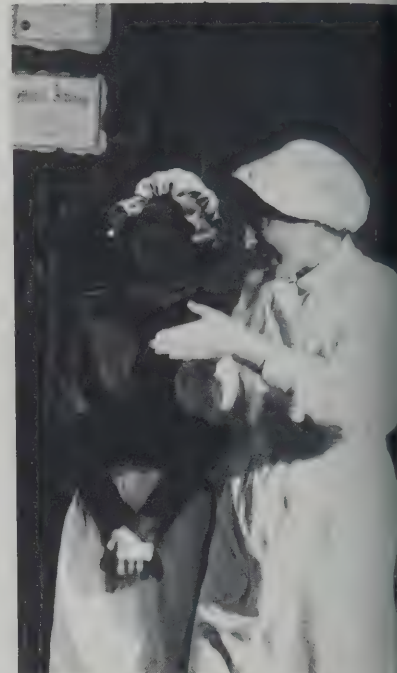

# All School Play

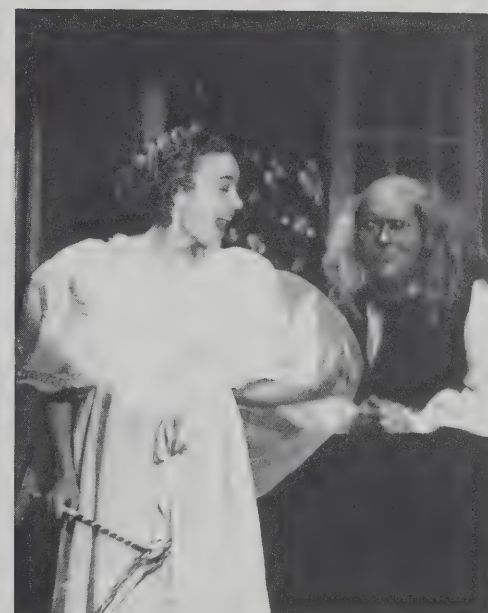

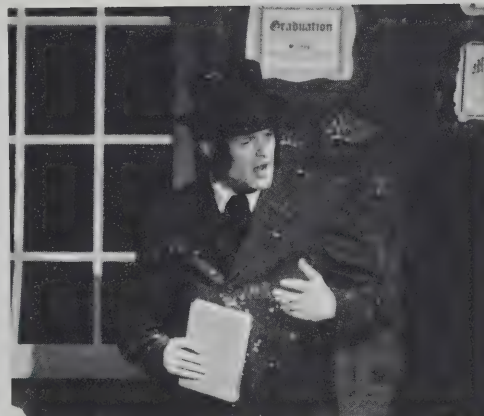

On the evenings of December 5th, 6th, 12th, and 13th, the LHS auditorium was transformed into "Dickensian London" for the All School Play. The Fine Arts Club, under the direction of Ruthe Lew, presented the hilarious two act comedy "A Dickens' Christmas Carol?" starring Marc Gravelle, John Finneron, Nick Howe, Katie Heikkinen, and Nicole Forbes. The actors fell off the stage, the set fell down, and the audience fell over laughing! The entire cast and crew did an excellent job and the play received rave reviews. Two thumbs up!

Dear Class of 1998,

Each year the principal is afforded the opportunity to develop thoughts and observations relevant to that year's class and the state of the school during their four year stay. Said narrative is included in the yearbook and becomes a part of posterity. That the above happens is a privilege and I want to thank all of you for the opportunity.

The Class of 1998 experienced many changes as it worked its way through its four year journey. Some of those in no particular order are (1) a first time student affiliation with Latin, French, and Spanish National Honor Societies, (2) a reorganization of the school into a house system, (3) a spirit night that focused on all our athletic teams, (4) a realization that an institution that is culturally diverse has the potential to experience more success than one that knows no difference, (5) an initiative to have every graduate go on to some type of further training that is life long, (6) the first Johnny Appleseed Parade, (7) a zero tolerance for in school violence, (8) independent study opportunities, (9) the beginning of a new volleyball program, (10) the inauguration of a discipline system that embraces consistent administrative responses e.g. rewritten student handbook, (11) a band that increased in membership from eleven to sixty-five in two plus years and on and on.

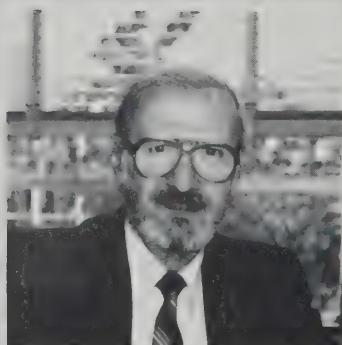

And what words can a principal offer of a personal nature that might in some small way make life in the future worthwhile for all of you. There really is no singular winning formula but here are a few things I try to apply, a few practices that work for me. Don't take yourself too seriously. Laugh. Try to find someone and something to love who will love you back or in return. Have faith that you need to have faith. Accept responsibility for your own actions and decisions. Give to others. Work hard. Ask questions. Say I don't understand when that is your condition. Say please, thank you, and I love you when you should.

A student told me the other day that he felt the school should be Godless. I disagree and in closing suggest all of you might look to your belief principles all your life for strength, peace, and success. I wish every one of you happiness and prosperity and want you all to know that I have been privileged to be your high school principal.

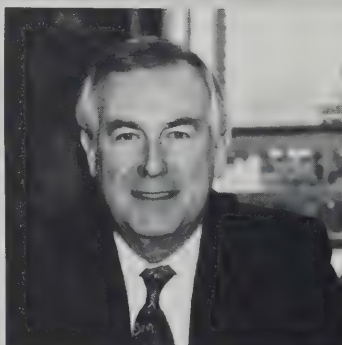

Sincerely,

# FOOTBALL

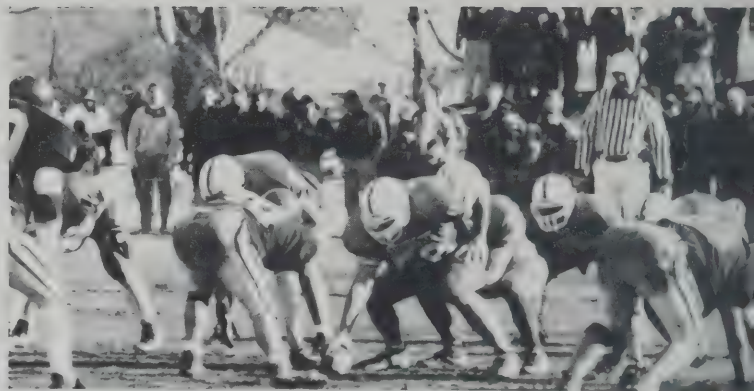

The guys discuss their strategy.

The 1997 football season was a great experience. Our overall record was 9-3. We not only won our League Championship, but we "kicked butt" on Thanksgiving, and became the Division 1A Super Bowl Champions! Our senior players, most of whom have been playing together since they were freshmen, had a great final year. Coach Dubz' message "Today is a work day." kept us focused throughout the season and paid off big in the end. Playing for the Leominster High School Blue Devil football team has been an experience each of us will never forget. Thanks to all our coaches, especially Coach Culley, and fans for all their support during a great season.

Mo watches the ball.

The 1997 season was a rebuilding year for the Blue Devils. The team had only three seniors, which was a small number compared to their competitors. The Devils put this on the back burner and played to the best of their ability, even when faced with diversity. The team never gave up, constantly trying to win the respect that they deserved. The Devils are now looking forward to a promising 1998 season.

# FIELD HOCKEY

Tommie + Dee talk strategy

This years' field hockey season ended in Districts with an overwhelming triple overtime loss to Quabbin. However there were many memorable moments during the season-some good and some bad. We continued our winning ways over our arch rival Fitchburg, we had an impressive 11-4-4 record en route to becoming Mid-Wach A Champs, and most importantly, we showed people what we could accomplish after losing a lot of talent from the year before. There were also times we wish we could forget - burmas, hills, double sessions, goal post to goal post sprints - especially after games, but over all it was fun. For the seniors it was a memorable four years, especially for Lynne Casey who was named Mid-Wach All-Star for the third year in a row. Thanks Dee for being a great coach and friend and thanks to our manager Karen Decisero for being there every game.

# CROSS COUNTRY

Jay in stride.

John races for the finish.

The 1997 boys' cross-country team record was 1-9. Even though this record isn't one to brag about, the individual efforts is what made this team stand out. Jay Wynne placed 10th in the league to receive League All Star status. John Hebert placed 12th in the league and did well in the district meet. Good performances were also turned in by Jon Roy, Steve Smith, Keith Reardon, and Nick Venti. Individual motivations and efforts were certainly obvious as well as the constant efforts of Coach Cleaves to spur us on to our personal bests.

Resting again!

The 1997 LHS girls cross-country team had to, at first, struggle to get comfortable with running and each other. But as our fitness improved and our times dropped, we learned to persevere through disappointment. Our record of 3-7 does not reflect the hard work and pride which we ran with throughout the season. Coach Cleaves continued to teach us, not only the importance of inner-strength, but also, the necessity of relying on the strength of others to amplify the victory of our team. We will miss the Heartbreak hill repeats, Saturday morning practices followed by juice and bagels, the endless M & M runs, trail blazing and Foxes and Hounds. The season came and went quickly, but the memories of the whole look, sound, feel, and thought of putting ourselves to the ultimate test will last forever.

Karen, Lauren, Amanda, Jess, and Nikki.

The Girls' Varsity Basketball Team this season was more than a team; we were like a family. The encouragement and teamwork put forth by Coach Chris Young and the team made it an unforgettable season. One great accomplishment this year was defeating Fitchburg twice, for the first time in seven years. To the members of the 97-98 Girls' Basketball Team the season holds great memories, lasting friendships, and an unforgettable unity. Best of luck next year girls.

# ICE HOCKEY

The rival captains meet again!

The 1998 Hockey team had a tough act to follow after last year's trip to the Fleet Center. Although our record was not as impressive, our team was just as strong. We were young, talented, and very competitive. The Leominster Blue Devil Varsity Ice Hockey team was still the team to watch out for. The 1997-1998 season was a good one thanks to the dedication of the captains, the players, and Coach Jean-Guy Gagnon.

# INDOOR TRACK

MHS PANTHERS/STRATUS

Pat going over the hurdles.

The Indoor Track team didn't have a winning year but there were personal bests turned in by all. The season's highlight took place at the Reggie Lewis Track and Field Complex when the Mile Relay team of Sarah Crowley, Lynn Dunner, Rachel McNamara, and Lynne Casey set a new school record. The truly bright spot in this year's season was the number of quality freshmen and sophomores on both squads. Next year's team should be much improved. Many thanks to the captains and players for their dedication, and Coach Baker for great coaching and many laughs.

# SWIMMING

The 1998 Leominster High School Swim team had high expectations entering the season. Under the strong leadership of captains Kristy Thomley, Jen Vaillette, and Kristen Hebert, the team won six meets, including a win over rival Fitchburg. The team had several swimmers already qualify for the state meet, and hopefully many more will qualify by the end of the season. The team was successful because of the dedication of the captains and swimmers. The entire team would like to thank Coach Richard Johnson for his devotion and great coaching over the years. His presence will truly be missed.

# YEARBOOK STAFF

February 1998

As the final deadline for the yearbook approaches the pressure of layouts, double page spreads, copy, pictures, and proofs fades into memory. It was a difficult task trying to capture the essence of Leominster High School and the Class of 1998 in pictures and words, but we have given it our best effort. We hope that in these pages the students, the teachers, the administrators, and the events that are LHS are caught for you to look back on and treasure. We had a "devil of a time" putting it together for you.

## John Fraher

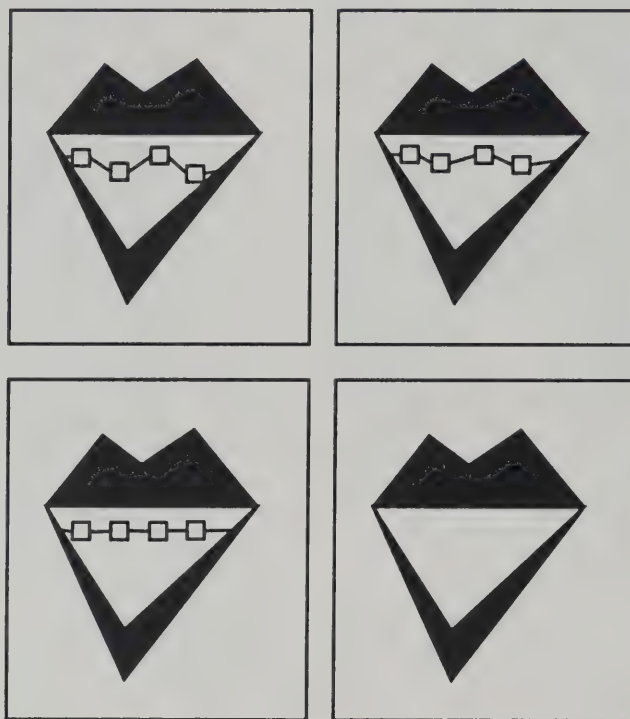

It doesn't seem so long ago  
That you were playing G.I. Joe  
Through He-Man, Gobots, skateboards and all,  
You played out the parts with barely a fall.  
Then came high school, sports and girls.  
Suddenly our lives became a whirl.  
We would not trade one single minute.  
Can't imagine a day without you in it.  
But you our son must go and fly,  
And we will do our best not to cry.  
So as you graduate with your great big smile,  
REMEMBER, in your heart we'll be with you all the while.

LOVE,  
MOM, DAD & STACY

## THE CLOWN'S PRAYER

"As I stumble through this life, help me create more laughter than tears, dispense more happiness than gloom, spread more cheer than despair.

Never let me become so indifferent that I will fail to see the wonder in the eyes of a child or the twinkle in the eyes of the aged.

Never let me forget, that my total effort is to cheer people, make them happy and forget, at least momentarily, all the unpleasantness in their lives.

And in my final moment, may I hear you whisper: When you made my people smile you made me smile".

## *"SUGGESTIONS FOR SUCCESS"*

*Attitude is more important than facts. It is more important than the past, than education, than money, than circumstances, than failures, than success, than what other people think or say or do. It is more important than appearance, giftedness, or skill. It will make or break a company ... a church ... a home.*

*The remarkable thing is that we have a choice every day regarding the attitude that we will embrace for that day. We cannot change our past ... We cannot change the fact that people will act a certain way. We cannot change the inevitable. The only thing we can do is play on the one thing we have, and that is our attitude.*

*I am convinced that life is 10% what happens to me and 90% how I react to it. And so it is with you ... We are in charge of our attitudes.*
